Dear Sir:

CHANGE OF CORRESPONDENCE - Patent

A Change of Correspondence Address form requesting that the Customer Number be changed to 22433 was submitted with payment of the issue fee for the above-captioned patent. However, both the Issue Notification and original patent grant were sent to the address associated with the previous Customer Number. It may be that this merely reflected a delay in the processing of the Change of Correspondence Address request, but it is also possible that the Change of Correspondence Address request was misplaced. We wish to ensure that the Customer Number for the patent

is changed to 22433 and therefore enclose a new Change of Correspondence Address -
Patent form, to this effect.

Respectfully submitted,

By:
